Product Number	99996114-US

About Maytronics

No one knows robotic pool cleaners like Maytronics – the company behind industry-leading Dolphin robots. For more than 30 years, we have been developing robotic cleaning solutions for the world's swimming pools.

Starting in 1983, we pioneered automated electronic pool cleaning technology. Today, Maytronics remains the market leader, continually setting new standards for technological innovation, design and reliability. In everything we do, we strive to make pool owners' and users' lives easier and more enjoyable.

Our goal: to enable an exceptional experience of a pure, clean, safe, and relaxing pool.

Exceptional Experience

Discover an Exceptional Experience

All swim, no work. That's the life for you – with the Dolphin Echo robotic pool cleaner. Forget about scrubbing the walls, floors, scooping out leaves and dirt – the Dolphin Echo does it all for you, automatically. It leaves your pool floor clean of dirt and algae, and the pool water sparkling clean, ready for fun whenever you are.

Effortless operation

- Top-access filtration system – easy to remove and clean
- Lightweight and easy to handle
- Fast, debris-free water release
- Obstacle escape system prevents Echo from becoming trapped

Crystal-clear cleaning results

- All-surface active brushing
- Effective, easy-to-use fine filtration system
- Efficient dirt collection

Peace of mind

- Proven reliability – made by Maytronics, the leader in robotic pool cleaners
- Two-year warranty (1 year full motor, cable, power supply)
- Rapid service and repair

	
Wall Climbing and Cleaning	Easy-Clean Net Basket
